2019 SPORTING CLAYS CLASSIC

The GTBAC supports weekly activities for more than 30,000 youth and 6,000 adult volunteers. We provide ongoing training for more than 6,000 adult leaders so they can provide a safe, enjoyable program for youth. Our Council serves in nine counties in central

Florida – Citrus, Hardee, Hernando, Highlands, Hillsborough, Pasco, Pinellas, Polk and Sumter. We operate and maintain camping facilities for our Scouts and families to use year round. The GTBAC provides the opportunity of Scouting to those youth who need financial assistance.

We help with registration, books, uniforms, program materials, camp scholarships, and programs. The cost of the program to parents are offset by raising additional funds through special events such as this one. We communicate with parents and leaders through mailings, publications, flyers, our website and electronic newsletters. As a Council, we work to increase new Scouting programs for our youth through churches, schools and civic clubs.
