Talk Time - Explain Activity/Goal 2 mins

Today we are going to be discussing our community and our role in it. There are lots of ways we affect our community. There are lots of ways our community affects us. Anyone have any ideas about how you can make an impact on our community? Let them answer.

Activity 1- Community Changes - 10 minutes

There are lots of ways we can affect our community, especially right now. Any ideas on how you could be helpful, right now, even with the Coronavirus? Let them respond. Ideas: making masks, donating water to schools, dropping off food to first responders, making thank you cards or signs for essential employees. There are also things you can do all the time to help your community. Simple things like just picking up trash, helping carry bags at the grocery store or helping a neighbor that maybe hurt with everyday chores can make a big impact on your community.

Activity 2 – Duty Chart – 10 minutes

Now we are going to make a simple chore chart for you to use at home. Your home is a part of your community and there are lots of things you can do to help out. If you already have regular chores great, list them. If you don't, think of the little things you can do around the house to help your family. Ideas: take out the trash, do the dishes, clean the table, vacuum, etc

Activity 3 – Clean Up – 10 minutes

Today we are going to walk the grounds outside. In scouts we call it “policing the area”. First we all stand side by side, then we start walking. Make sure to keep the line straight so you don't miss anything. Now as you walk, pick up any trash you may see. You are making your community better already.

Choose a game:

Whole Group Activity – Optional – Time Permitting

Cub Scout Red Light/Green Light

This is a basic game of Red Light/Green Light where the Scouts go if you hold up the Cub Scout Sign (2 fingers on the right hand) and stop if you hold up anything else. If they move when you have a different number of fingers up, they go back to the starting line. The winner of the round becomes the next person to be the traffic light.

Optional - Whole Group Activity – Cub Scout Says

Play Simon Says with the Cub Scout skills we just learned.

Optional - Whole Group Activity – Animal Races

Put out cones or mark a start and finish line. Ask the Scouts to pick an animal and show you how it walks. Then have the Scouts race between the two lines with the winner picking the next animal. Some examples are hopping like a bird, jumping like a frog or walking on hands and feet like a bear.

Whole Group Activity – Free time Outside
