PROGRAM IMPACT

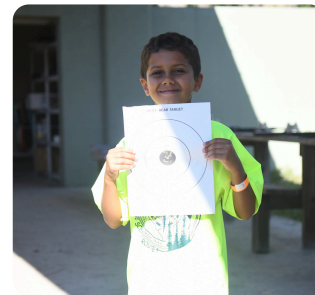

2024 was a remarkable year of growth for the Greater Tampa Bay Area Council as we welcomed new Scouts and families into the adventure of Scouting. Together, we strengthened our programs, expanded our reach, and ensured that more youth had access to the life-changing experiences Scouting offers.

A Year of Growth and Achievement in Our Camp and Training Programs!

This year, our camp and training programs provided Scouts and leaders with unparalleled opportunities to grow, learn, and succeed. In 2024, we proudly recorded over 36,600 camping nights, reflecting the vibrant participation of our Scouting community. More than half of our resident Scouts attended one of our flagship council-led camps, while 5,281 Scouts, families, and adult leaders took part in events like Splash-O-Ree, Spook-O-Ree, and our ever-popular Resident Camps. Scouts collectively earned an impressive 8,917 merit badges, mastering skills ranging from outdoor adventure to STEM and Citizenship in Society.

Leadership development remained at the forefront of our mission. Programs like Wood Badge and National Youth Leadership Training (NYLT) prepared the next generation of leaders to guide with confidence and purpose. Additionally, essential training for adult leaders—through courses such as BALOO, IOLS, and IOLST—ensured they had the tools to lead and inspire. This year, a remarkable 292 Scouters completed a national training course within our council.

These transformative experiences fostered resilience, teamwork, and a commitment to service, creating lifelong memories and equipping our Scouts and leaders for the challenges ahead.

SCOUT RECONGITION

Peter P.

Troop 4 | Fort Brooke District

At just 14 years old, Peter P. made a lasting impact on the Humane Society of Tampa Bay through his Eagle Scout project, “Puppy Rescue Packs.” Inspired by his volunteer work at the shelter, Peter noticed older and special-needs dogs often struggled to find homes. Determined to help, he created 50 “Rescue Packs,” providing essentials like crates, beds, leashes, and treats to new adopters. With support from family, friends, and local businesses, Peter exceeded his \$3,000 fundraising goal and rallied his community. Emaya W.

Troop 606 | Timucua District

A highlight of her journey was attending National Youth Leadership Training (NYLT), where she discovered her leadership potential and returned excited to inspire others.
