

Leave No Trace Trainer Course

Camp Brorein

11/17/17 6PM – 11/19/17 11AM

Cost \$50, Includes all Training Materials and Food

This BSA / Center for Outdoor Ethics Leave No Trace Trainer Course will give the youth the necessary tools to fulfill their duties in the NEW Outdoor Ethics Guide Troop Position of Responsibility. Participants must be 14 years old. Adults are encouraged and welcome to attend. Learn how to minimize your impact when recreating outdoors and become better stewards of the land.

Please bring a tent and your personal weekend camping gear, including a mess kit and small service shovel/trowel. A detailed personal gear packing list can be found in the *Boy Scout Handbook*.

A current BSA physical form (part A and B) and a signed Center for Outdoor Ethics Waiver are required. These forms along with registration can be found on the Training Courses page of the Council website www.tampabayscouting.org. Contact Jeanette McCullough, (jeanette1953@ix.netcom.com), for more information.

Registration deadline is Nov. 10. Please inform us of any food allergies or special needs prior to this date. Successful completion of this course will give you dual certification with both BSA and the Center for Outdoor Ethics.
